Assignment 4: Ensemble piece in the style of Steve Reich

Recap

Compose a c.8 minute repetitive piece for a chamber ensemble in the style of Steve Reich's *Eight Lines (Octet)* and with the same instrumentation. The piece should utilize at least 1 minute of unrepeated material.

The piece should consist of three to five sections with appropriate transitions between each section. The relationship between material in different sections should be taken into account. The assignment should show an economical approach to the use of material and should be a complete piece in itself, with thought given to how to begin and end.

Create stylistically-appropriate rhythmic and melodic patterns, and consider the rhythmic and melodic structures of such material. You should use the techniques covered in class (e.g. phase shifting, augmentation, and additive and cumulative processes).

The assignment should be typeset using notational software. It should be uploaded to Grade Centre by 11:59 pm on **Thursday 3 May 2018**. Your submission should contain two files: a pdf of the score and the file from your notation software (e.g. a Sibelius/Finale/Musescore/Lilypond file).

You should aim to submit a draft of this assignment in class on **Wednesday 25 April** for formative feedback. If you have any queries regarding this assignment, contact david.pocknee@hud.ac.uk.

Processes

Music As A Gradual Process

Steve Reich (1968) from *Writings On Music 1965-2000*:

"I do not mean the process of composition but rather pieces of music that are, literally, processes.

The distinctive thing about musical processes is that they determine all the note-to-note (sound-to-sound) details and the overall form simultaneously. (Think of a round or infinite canon.)

I am interested in perceptible processes. I want to be able to hear the process happening throughout the sounding music.

To facilitate closely detailed listening a musical process should happen extremely gradually.

Performing and listening to a gradual musical process resembles:

- Pulling back a swing, releasing it, and observing it gradually come to rest;

- Turning over an hour glass and watching the sand slowly run through to the bottom;

- Placing your feet in the sand by the ocean's edge and watching, feeling, and listening to the waves gradually bury them.

Although I may have the pleasure of discovering musical processes and composing the musical material to run through them, once the process is set up and loaded it runs by itself."

PENDULUM MUSIC

FOR MICROPHONES, AMPLIFIERS, SPEAKERS AND PERFORMERS

2, 3, 4 or more microphones are suspended from the ceiling by their cables so that they all hang the same distance from the floor and are all free to swing with a pendular motion. Each microphone's cable is plugged into an amplifier which is connected to a speaker. Each microphone hangs a few inches directly above or next to its speaker.

The performance begins with performers taking each mike, pulling it back like a swing, and then in unison releasing all of them together. Performers then carefully turn up each amplifier just to the point where feedback occurs when a mike swings directly over or next to its speaker. Thus, a series of feedback pulses are heard which will either be all in unison or not depending on the gradually changing phase relations of the different mike pendulums.

Performers then sit down to watch and listen to the process along with the audience.

The piece is ended sometime after all mikes have come to rest and are feeding back a continuous tone by performers pulling out the power cords of the amplifiers.

Types Of Processes

- Phase Shifting
- Additive Process
- Augmentation
- Cumulative Process

Phase Shifting

Phase Shifting In The Pianos

Rehearsal 13 (Section I)

Pno. 1

Perfect 5th

Pno. 2

This musical score for Rehearsal 13 (Section I) features two piano parts, Pno. 1 and Pno. 2, in a key of three sharps (F#, C#, G#). The time signature is 4/4. Pno. 1's staff has a red vertical bar at the start of the first measure and a blue vertical bar at the start of the second measure. Pno. 2's staff has a blue vertical bar at the start of the second measure and a red vertical bar at the end of the second measure. The text 'Perfect 5th' is written above the first measure of Pno. 1.

Rehearsal 19 (Section II)

Perfect 5th

This musical score for Rehearsal 19 (Section II) continues with two piano parts, Pno. 1 and Pno. 2, in the same key and time signature. Pno. 1 has a red vertical bar at the start of the first measure and a blue vertical bar at the start of the second measure. Pno. 2 has a red vertical bar at the start of the first measure and a blue vertical bar at the end of the second measure. The text 'Perfect 5th' is written above the first measure of Pno. 1.

Rehearsal 39 (Section III)

Pno. 1

Major 6th

Pno. 2

This musical score for Rehearsal 39 (Section III) features two piano parts, Pno. 1 and Pno. 2, in a key of three flats (Bb, Eb, Ab). The time signature is 4/4. Pno. 1 has a red vertical bar at the start of the first measure and a blue vertical bar at the start of the second measure. Pno. 2 has a red vertical bar at the start of the first measure and a blue vertical bar at the end of the second measure. The text 'Major 6th' is written above the first measure of Pno. 1.

Rehearsal 43 (Section III)

Major 3rd

This musical score for Rehearsal 43 (Section III) continues with two piano parts, Pno. 1 and Pno. 2, in the same key and time signature. Pno. 1 has a red vertical bar at the start of the first measure and a blue vertical bar at the start of the second measure. Pno. 2 has a red vertical bar at the start of the first measure and a blue vertical bar at the end of the second measure. The text 'Major 3rd' is written above the first measure of Pno. 1.

Rehearsal 52 (Section IV)

Pno. 1

Perfect 4th

Pno. 2

This musical score for Rehearsal 52 (Section IV) features two piano parts, Pno. 1 and Pno. 2, in a key of three flats (Bb, Eb, Ab). The time signature is 4/4. Pno. 1 has a red vertical bar at the start of the first measure and a blue vertical bar at the start of the second measure. Pno. 2 has a red vertical bar at the start of the first measure and a blue vertical bar at the end of the second measure. The text 'Perfect 4th' is written above the first measure of Pno. 1.

Rehearsal 71 (Section V)

Minor 3rd

This musical score for Rehearsal 71 (Section V) continues with two piano parts, Pno. 1 and Pno. 2, in the same key and time signature. Pno. 1 has a red vertical bar at the start of the first measure and a blue vertical bar at the start of the second measure. Pno. 2 has a red vertical bar at the start of the first measure and a blue vertical bar at the end of the second measure. The text 'Minor 3rd' is written above the first measure of Pno. 1.

Augmentation

Augmentation In *Eight Lines*

Augmentation:

- *Four Organs* (1970)

“*Four Organs* is composed exclusively of the gradual augmentation (lengthening) of individual tones within a single (dominant 11th) chord. The tones within the chord gradually extend out like a sort of horizontal bar graph in time. As the chord stretches out slowly resolving to the tonic A and then gradually changing back to the dominant E, a sort of slow-motion music is created. The maracas lay down a steady time grid of even eighth-notes throughout, enabling the performers to play together while mentally counting up to as much as 256 beats on a given cycle of sustained tones.”

– Steve Reich – *Four Organs* – Program Note from “Writings On Music”

Four Organs

<https://www.youtube.com/watch?v=-8ummi3d3Cs>

Violins 1 & 2, Page 1

Violin 1 and 2 staves, measures 1-2. The key signature is three sharps (F#, C#, G#). The music consists of sustained chords.

Violins 1 & 2,
Rehearsal Mark 4

Violin 1 and 2 staves, measures 3-6. The key signature is three sharps. The music consists of sustained chords. Rehearsal Mark 4 is indicated by a double bar line before measure 3.

*f marcato e tenuto sempre **

Violins 1 & 2,
Rehearsal Mark 8

Violin 1 and 2 staves, measures 7-10. The key signature is three sharps. The music consists of sustained chords. Rehearsal Mark 8 is indicated by a double bar line before measure 7.

Cumulative Process

Cumulative Processes in *Eight Lines*

*(four bars
before the start
of Rehearsal
Mark 10)*

The image displays a musical score for the piece "Eight Lines" by John Cage, specifically four bars before the start of Rehearsal Mark 10. The score is written for eight staves, each representing a different instrument or voice part. The staves are labeled on the left: Fl. 1, B.Cl. 1, Pno. 1, Pno. 2, Vln. 1, Vln. 2, Vla., and Vcl. The key signature is three sharps (F#, C#, G#), and the time signature is 4/4. The score is characterized by its minimalist and experimental nature, with many staves containing rests and sparse, isolated notes. Red boxes and vertical lines are used to highlight specific musical elements across the staves, illustrating the cumulative processes mentioned in the title. The red boxes are placed around individual notes or small groups of notes, and the vertical lines connect these elements across different staves, showing how they relate to each other in the overall composition. The staves are arranged in a vertical column, with the Fl. 1 staff at the top and the Vcl. staff at the bottom. The Pno. 1 and Pno. 2 staves are grouped together, as are the Vln. 1 and Vln. 2 staves. The Vla. and Vcl. staves are at the bottom of the group. The score is written in a standard musical notation style, with notes, rests, and other musical symbols clearly visible. The red markings are a key feature, as they highlight the specific musical elements that are the focus of the analysis. The overall layout is clean and professional, with a clear focus on the musical notation and the red markings.
